

# QANTAS PROJECT SUNRISE A350

## A NEW DAWN OF TRAVEL

Our fleet of specially designed Airbus A350s overcome the tyranny of distance, with the ability to travel between Australia and almost any city in the world, starting with Sydney to New York and London. Take a look inside our cabins and Wellbeing Zone, each carefully considered for luxury, comfort and wellbeing on ultra long-haul flights.

### CABIN SPECIFICATIONS

- Seating for 238 passengers
- 6 First suites in a 1-1-1 configuration
- 52 Business suites in a 1-2-1 configuration
- 40 Premium Economy seats in a 2-4-2 configuration
- 140 Economy seats in a 3-3-3 configuration

### AIRCRAFT SPECIFICATIONS

- Wingspan 64.75 metres
- Length 73.79 metres
- Height 17.08 metres
- Cruise Speed Mach 0.85

### CONSIDERED DESIGN

We've collaborated with industry leaders Caon Design, Neil Perry and the University of Sydney Charles Perkins Centre to maximise comfort and wellbeing inflight.

### WELLBEING FIRST

All passengers can access the onboard Wellbeing Zone, a dedicated space for movement and premium refreshments, designed to optimise wellbeing throughout the flight.

### PREMIUM FEATURES

Our large First suites feature a full-length bed with a separate reclining armchair. Business suites will feature a sliding door for additional privacy.

### STAY CONNECTED

Passengers in all cabins can enjoy access to complimentary high-speed Wi-Fi. Bluetooth audio connectivity is also available across devices.

## FIRST

The A350 will feature six spacious, enclosed First suites, each designed using the latest in textile innovations and ergonomic design to create the ultimate luxury travel experience. The suites feature a flat bed and separate reclining armchair, with a large flexible work and dining space for one or two people. A full-length wardrobe can also be found in each suite, along with several areas for personal storage.

50% more suite space compared to the A380 suites

*Designs are indicative and subject to change.*

## FIRST FEATURES

- 1 USB-A and C, AC and wireless charging outlets
- 2 Touchscreen suite controller
- 3 An enclosed suite with 57" (1.4m) high walls and a sliding door
- 4 Full-length wardrobe and multiple personal storage areas
- 5 32" entertainment touchscreen with Bluetooth audio connectivity (14" larger than our A380)
- 6 Flexible work, seating and dining space for two
- 7 80" (2m) long flat bed
- 8 Adjustable bed backrest for breakfast in bed
- 9 Customisable LED lighting
- 10 Separate 22" wide reclining armchair

## BUSINESS

For the first time, Qantas Business suites will feature a sliding door for additional privacy, as well as an adjustable divider between the alternating centre seats. Complete with a large dining table and work surface, increased storage options, the suite features innovative design and materials to deliver exceptional inflight comfort.

*Designs are indicative and subject to change.*

## BUSINESS FEATURES

- 1 18" entertainment touchscreen with Bluetooth audio connectivity (2" larger than in our A380s and B787)
- 2 Cushioned leather ottoman that lifts for increased storage access
- 3 Sliding door into 42" wide suite with 47" high privacy wall
- 4 Architectural feature light
- 5 Personal storage compartment with mirror
- 6 USB-A and C, AC and wireless charging outlets
- 7 Additional cocktail and work surface
- 8 80" (2m) long and 25" wide flat bed (1" longer than our A380 First flat bed)
- 9 Generous 25" wide seat with lumbar support (1" wider than our A380 Business seats)
- 10 Touchscreen suite controller
- 11 Separate upholstered glove box

## PREMIUM ECONOMY

- 1 13.3" entertainment touchscreen with Bluetooth audio connectivity
- 2 Three dedicated amenity and personal storage pockets
- 3 Our most spacious seat pitch at 40"
- 4 Calf rest which allows for full leg cradling
- 5 Two fast charging USB-C outlets for every passenger
- 6 8" winged privacy headrest that adjusts for maximum comfort

## ECONOMY

- 1 Our most spacious seat pitch at 33"
- 2 Six-way adjustable headrest for greater comfort
- 3 Multi-use seatback table
- 4 Two fast charging USB-C outlets for every passenger
- 5 13.3" entertainment touchscreen with Bluetooth audio connectivity
- 6 Extra shelf for personal devices

## WELLBEING ZONE

The A350 will feature Qantas' first inflight Wellbeing Zone, located between Economy and Premium Economy cabins. The Wellbeing Zone gives every passenger a space to enjoy specially curated guided movements via onboard monitors and help themselves to a selection of refreshments.

- 1 Premium self-serve refreshments
- 2 Guided wellbeing content
- 3 Sculpted walls and integrated handles to facilitate stretching
