

WRITTEN REPORT ON THE PROCUREMENT PROCEDURE

pursuant to Sections 217 of Act No. 134/2016 Coll., on public procurement, as amended by later regulations (hereinafter referred to as "PPA")

Date: 24th April 2024
Our ref: RVC/780/2023/OVZ-15

Identification data of the Contracting Authority

Contracting Authority	Česká republika – Ředitelství vodních cest ČR
Identification No	679 81 801
Registered office address	nábř. L. Svobody 1222/12, 110 15 Praha 1
Person authorised to represent the Contracting Authority	Ing. Lubomír Fojtů, director

Identification data of the public contract

Name of the public contract	Delivery of Bunker Supply Vessels Prague, Slapy, Orlík (Dodávka Servisních plavidel Praha, Slapy, Orlík)
PPJ Contract registration number	Z2023-059733
Type of public contract and type of procurement procedure	Above threshold public contract for supplies awarded in an open procedure pursuant to Section 56 of the PPA
Public procurement regime	Above threshold
Estimated value of the public contract	EUR 8 075 496 excl. VAT (CZK 201 887 400 excl. VAT). ¹

The Contracting Authority hereby submits this written report of the procurement procedure in accordance with Section 217(2) of the PPA.

a) identification of the contracting authority: as above

¹ At an exchange rate of 25 CZK to 1 EUR.

Waterways Directorate of the CZ

subject of the public contract:

The subject of performance of this public contract is to build and deliver the tank service “N-type” vessels named Praha, Slapy and Orlik with unified low emission propulsion design, according to the Initial technical specification and General arrangement plan (hereinafter called the "VESSEL") and their delivery to the designated place of performance. The supplier shall build and deliver the VESSEL to the specified location. The delivery of the VESSEL shall also include the essentials to enable full operation, including training of the crew in the operation and maintenance of the VESSEL, in expected range of 5 days for each VESSEL. The building and delivery of the VESSEL Slapy and Orlik will be undertaken only if the Contracting Authority so requests in writing within a specified period.

the price of the concluded public contract:

“VESSEL Praha” – EUR 3 300 000 excl. VAT

“VESSEL Slapy” – EUR 2 795 000 excl. VAT

“VESSEL Orlik” – EUR 2 795 000 excl. VAT

b) type of procurement procedure:

Above threshold public contract for supplies awarded in an open procedure pursuant to Section 56 of the PPA

c) identification of the participants in the procurement procedure:

No.	Business name, Company ID, Registered office address
1.	Zeeland Maritime Services B.V. Company ID 69897697, with registered office in Oostelijke Kanaalweg 20, 4424 NC Wemeldinge, The Netherlands.

the supplier's tender price:

“VESSEL Praha” – EUR 3 300 000 excl. VAT

“VESSEL Slapy” – EUR 2 795 000 excl. VAT

“VESSEL Orlik” – EUR 2 795 000 excl. VAT

Total bid price: EUR 8 890 000 excl. VAT

d) identification of all excluded participants in the procurement procedure, stating the reasons for their exclusion:

None of the participants in the procurement procedure was excluded.

Waterways Directorate of the CZ

- e) **identification of the suppliers with whom the public contract has been concluded, including the reasons for their selection:**

Zeeland Maritime Services B.V.

Company ID 69897697,

with registered office in Oostelijke Kanaalweg 20, 4424 NC Wemeldinge, The Netherlands.

Grounds of the decision:

In view of the fact that only one tender was submitted in this procurement procedure, namely the tender of the selected supplier, the Contracting Authority did not carry out the evaluation of tenders and therefore did not prepare a tender evaluation report.

At the same time, the selected supplier fulfilled all the conditions for participation.

In view of these facts, the Contracting Authority decided to select the above-mentioned supplier in accordance with Section 122(2) of the PPA.

- f) **identification of subcontractors of the suppliers referred to in point e), if known to the Contracting Authority:**

Werkina Werkendam B.V.

Biesboschhaven Noord 1b 4251 Werkendam, Netherlands

Veth Propulsion B.V.

Nanengat 17, 3356 AA Papendrecht, Netherlands

Beerens Winkelinterieurs B.V.

Europalaan 2, 5121 DJ Rijen, Netherlands

PWNAW

Teofila Firlika, 71-637 Stettin, Poland

- g) **the grounds for using the negotiated procedure with publication or the competitive dialogue procedure, if used:**

not been used

- h) **justification for the use of the negotiated procedure without publication, if used:**

not been used

- i) **justification for the use of the simplified scheme, if used:**

not been used

- j) **the reasons for the cancellation of the tendering procedure or the non-implementation of the dynamic purchasing system, if any:**

not been used

Waterways Directorate of the CZ

k) justification of the use of other means of communication in the submission of the tender instead of electronic means, if other means have been used:

only electronic communication was used in the procurement procedure for the submission of the tender

l) a list of the persons who have been identified as having a conflict of interest and the subsequent measures taken where a conflict of interest has been identified:

no person has been found to have a conflict of interest

m) where the Contracting Authority does not divide the above-limit public contract into lots, the Contracting Authority shall state the reasons for this, unless it has stated them in the procurement documentation:

Due to the Contracting Authority's need for the vessels to be equipped with similar technologies with the same procedures and providers for maintenance and spare parts and with the same vessel control that enables smooth shift of crew between vessels, the building and delivery of all three vessels will be carried out by a single supplier. (stated in the procurement documentation)

n) justification for the requirement to demonstrate turnover in the case of a procedure under Article 78(3) of the PPA, if not specified in the procurement documentation:

not been used
